

EXHIBITING ON DEMAND

FOR TRADESHOW AND MARKETING PROFESSIONALS

Why Exhibiting On Demand?

Exhibiting On Demand is simply today's most cost-effective way to manage tradeshows. Whether you're a Start-Up getting ready to exhibit at your first show or a Fortune 500 looking for better ROI from your tradeshows, Exhibiting On Demand is right for you.

You receive instant access to over 40 years of worldwide tradeshow marketing experience, services and solutions. From pre-show to post-show and every logistic in between, Exhibiting On Demand has you covered. ECI's Tradeshow Specialists seamlessly integrate with your marketing team to help you achieve your goals and objectives at a fraction the cost required to hire and employ this level of tradeshow marketing expertise.

Why pay for more than you need? Exhibiting On Demand provides you with only the services you decide that are right for you, one show at a time or by schedule. Exhibiting On Demand is based on the scope of work so you can be sure each project is managed within your budget.

Exhibit Anywhere Anytime Any Size.

Whether you've already secured your exhibit space or ready to exhibit for the first time, Boston or Bangkok, 100 square feet or million square feet, ECI's Tradeshow Specialists coupled with their worldwide industry partners are ready to help make your next tradeshow a success.

"NextChoice was launched in 2006 with two simultaneous tradeshows, a major presentation and six product demonstrations over three days. ECI Marketing organized and coordinated everything flawlessly. The ECI Marketing team was easy to work with and their recommendations and suggestions helped ensure a successful company launch."
