

TRADESHOW IN A BOX

FOR TRADESHOW AND MARKETING PROFESSIONALS

Why Tradeshow in a Box?

Tradeshow in a Box is the smartest and most cost-effective way to support and fulfill all your tradeshow requests. Regardless the number of events or demand from your sales, field or channel marketing personnel, managing tradeshow logistics for table-top and pop-up displays is now as simple as point and click or just a phone call away. Whether you own your display properties or just getting started, ECI customizes every Tradeshow in a Box program to meet your needs. Each program starts with a complete assessment of your current situation, available display assets and then develops and manages a program that's right for you.

Flawless Execution that Saves YOU Time & Money. Guaranteed.

Each program is flawlessly executed based on your criteria so your satisfaction is guaranteed every time. Every request is managed by an experienced ECI Tradeshow Specialist and supported with a worldwide network of industry experts so you can be certain to save time and money.

"At Juniper Networks, we exhibit at over sixty trade shows a year, and with ECI, a single click lets me view the status of my entire program. ECI Marketing has allowed me to spend more time focusing on my larger trade shows and events. The ease of use with their web-based program is crucial to Juniper Network's successful regional trade show program."
